To whom it may concern,

TBU Tenn Underground Construction is a contractor Omni TN, LLC has worked closely with on multiple projects for the past four years. During this time, we have had the opportunity to build a well-rounded and trustworthy partnership.

TBU Tenn operates in a manner that shows off their notable work ethic and professional communication skills with all jobs and individuals they encounter. They continue to meet deadlines, stay on schedule, and strive for quality performance and results. Omni TN understands that finding quality partnerships can be difficult, therefore continuing to work alongside a contractor like TBU Tenn goes to show what their company stands for and what their professional relationships mean to them.

Omni TN will continue to welcome TBU Tenn to partner on future projects and recommend them to others.

If additional information is requested, please feel free to reach out.
